

# The J-Tones

*"a raw mix of soulful groove"*

**A fun and relaxed atmosphere from a huge range of artists is what they create. Just well played songs..**

The Josh Boots Band or 'The J-Tones' is well known in the North Coast music scene. They've played in and around Byron Bay at all the local venues, and have performed at over 180 weddings in the past 3 years alone. Josh brings to the table an ability to cover almost any artist, adding his own touch to any arrangement while staying true to the original. Playing acoustic and electric guitars and singing for the best part of 19 years, Josh certainly has the experience to front this highly talented act.

Bringing to the outfit a strong sense of rhythm and harmony, is bass player or drummer, multi-instrumentalist and vocalist Matt Aitchison. Matt has played with, supported and even managed

some major artists in his time, displaying a solid musical foundation for all to feed off. Matt honed his skills traveling and playing music all over the world, and to add to his abilities, he's an awesome DJ that can fill a dancefloor!

Together with one of the most widely used and respected session players on the North Coast, drummer Pete Wilkins forms the foundations that set this act apart.

The boys have a carefully selected list of covers making up a huge repertoire, sure to keep any crowd happy. From songs by Foo Fighters, Jack Johnson, Vance Joy, Train, Leon Bridges and the Black Keys plus the classics by Al Green, Marvin Gaye, Paul Kelly, Van Morrison and The Doobie Brothers to name a few.

'The J-Tones' can make your night, one to remember...
